## Competition map and location

The competition area is the western part of the Grazutė forest between the villages of Liminiskiai and Murmuliskes. Relief forms - medium and small, the largest slopes up to 20 m high. Pits, hills, valleys, swamps of various sizes and shapes. Pine forests and spruces with good and moderate mobility are dominating. There are cuttings and young trees of various brightness and runnability. The network of roads and clearings is of medium density.

Maps updated in 2023. using the latest LIDAR data. Scale 1:10,000, for M/V14 and M/V55+ groups - 1:7500, horizontal every 2.5 m. Bmap scale 1:15,000, H 2.5 m.

Fragments of the race map:

Previous maps of this area in active links here: [Limiskes](#) and [Murmuliskes](#).

## Competition type

Individual two-day competitions on medium and extended medium tracks are conducted according to the rules approved by the Lithuanian orienteering federation. Competitions are held for the following orientation sports: running and mountain biking.

## Age groups and participants

Competitions are held in groups:

**Running:** V/M, V/M 10, 12, 14, 16, 18, 20, 23, 35, 40, 45, 50, 55, 60, 65, 70, 75, 80, 85, Open 1, Open 2, VS, MS

**MTBO:** DV/DM, DV/D/M 14, 17, 20, 23, 35, 45, 55, 65, Open D

Please pay attention, that in registration system groups stands for V stands for Men, M stands for Women and D stands for Bin case if translation in the system will not work.

## Starting order

In individual competitions, the participant of each group starts according to his assigned position time. In the second day's competition, the participants of the Bgroup start with a mass start. The participant is admitted to the starting area 3 minutes before the start. Group start interval - 2 min.

## Punching system

Marking is carried out by the electronic SPORTident AIR+ system. Participants will also be able to participate with regular SPORTident cards. Participants who do not have SIAC cards will be able to rent them at the competition secretariat. Rental fee - 2 €/day. For a lost SIAC card, participants pay its price according to valid rates.

## Registration

Applications are submitted in the DB Topas system <https://dbsportas.lt/lt/varz> Registration is carried out until 2023. October 16 23:59 **After this date, registration is only possible if possible, i.e. i.e. free start minutes at the front of the protocol, prepared maps, numbers, etc.**

## Fees

For athletes who have submitted registered applications, the participation fee specified by the competition organizers shall be paid by bank transfer or at the place of the competition. To partially cover the costs of organizing the competition, the participants pay the fee set by the Lithuanian orienteering federation age group for each person:

<b>Group</b>	<b>Payment until 2023 - 10 - 16 (23:59)</b>	<b>Fee after 2023 - 10 - 17 (23:59)</b>
M/V 10 -20, DM/DV 14 - 20	7 euros / day	10.5 eur / day
M/V – M/V 55, DM/DV – DM/DV 55, M/VS	15 euros / day	22.5 eur / day
M/V 60 – M/V 85, DM/DV 65	10 euros / day	15 euros / day
OPEN 1, OPEN 2, OPEN D	10 euros / day	10 euros / day

Registration after 10/17/2023 only if places are available.  
After registering, but not starting, the start fee is not refunded.

The Directorate of Protected Areas of Aukštaitija stated in the competition permit that participants must purchase a state park visitor's ticket and thereby contribute to the preservation of the regional park's values, therefore we invite all participants to do so personally before the event:

Tickets can be bought here: [:https://anp.lrv.lt/lt/veiklos-sritys/lankytojo-bilietas](https://anp.lrv.lt/lt/veiklos-sritys/lankytojo-bilietas)

## Payment

The participant fee is paid during registration by transfer to the following account or in cash at the competition center. Those who pay by bank transfer will be able to pay after the competition according to the invoice issued. Information when paying by bank transfer:

Organization: Orienteering sports club "Arboro"  
Company code: 300562017  
Bank: Medicinos Bank  
Account No.: LT94723000000606029

## Determination of results

In the Lithuanian Cup competitions, the winners are determined based on the total sum of the results of the two days. The participants of groups M/V 20, M/V 23, M/V bei DM/DV20, DM/DV 23 and DM/DV compete on the same track, but the results of these groups are presented in a common list, indicating next to each M/V 20, M/V 23, DV20/DM20 and DV23/DM23 participant, which place he occupied in his group. Athletes from these groups claim awards in the elite group as well.

## GPS

Top list of V/M 20, V/M 23, V/M and DM/DV20, DM/DV 23, DM/DV competitors will have GPS assigned that have to be worn on track.

## Awards

The winners and prize-winners of all groups (1st - 3rd place) are awarded with souvenirs and gifts from sponsors (except the athletes of the Open groups). Awards are presented only personally to athletes participating in the awards.

## Other information

- Participants are responsible for their own health and safety during the competition, their coaches or accompanying persons are also responsible for children. All participants of the competition must have a medical permission to participate in the competition.
- Meals, accommodation and travel expenses of athletes and coaches are paid by the sending organization or the athletes themselves.
- Claims must be submitted to the competition jury or competition organizers within 1 hour of the participant's finish time, but in any case as early as possible.
- All participants must start with the participant number issued by the organizers. Athletes starting without a participant number will be disqualified.
- By registering, the participants of the competition agree that their name, surname, year of birth, team and results will be published on the competition registration page <http://www.dbsportas.lt> and during the competition they may be photographed, videotaped, their location determined in real time, and the material can be used to publicize competitions and popularize sports. Participants can contact the LOSF (Lithuanian orienteering sports federation) administration regarding the use of personal data in accordance with the valid LOSF privacy policy.
